

If you've got the skills we'll open the doors.

You have the desire. You have the ability.

Now all you need is the right job to allow you to use your valuable skills. That's where we come in. An ASPECT Skills Connect Program, IMMPOWERBC is the only province-wide program that is designed for skilled immigrants and internationally trained professionals. We work closely with employers to understand their needs. Our program is tailored to connect you to employment sectors with the highest demand for skilled workers. We'll help to develop your skills, give you confidence you need and put you on the path to success.

IMMPowerBC features:

- Industry-specific skills training
- Prior Learning Assessment Portfolio (PLAR) development
- Work experience or practicums
- Credential, skills and language assessments
- Connections to and assistance with professional regulating bodies

IMMPowerBC is designed for landed immigrants who:

- Have been landed in Canada for five (5) years or less
- Have at least five (5) years of pre-landing skilled employment
- Have strong English language ability
