

# Be a Mentor for new immigrants in search of meaningful work in Canada

## Volunteer as a Mentor in MOSAIC's Workplace Connections!

### About the program;

Workplace Connections is a wonderful program that really makes a difference in newcomers' lives. Volunteer Mentors are matched with job-ready newcomers for 3 months. Mentors guide the newcomer through the steps of job seeking and discuss workplace culture.

### As a Volunteer Mentor you will:

- Develop your leadership & coaching skills
- Meet interesting people from around the world
- Share your passion for your career
- Help people who genuinely want to learn from you

### Who can be a mentor?

We're keen to hear from you if you're a non-judgmental, reliable person who has:

- Been employed or self employed in Canada for at least 3 years
- Interest in sharing knowledge of Canadian workplace culture
- Excellent interpersonal skills
- An interest in other cultures.

### How to Volunteer:

Contact Workplace Connections for information or an application form:

### About MOSAIC:

MOSAIC has been providing settlement services in the Vancouver community for over 30 years. We provide free training for all new hosts on understanding settlement needs, building relationships with new immigrants and communicating effectively with people who have limited English.
